MEMORANDUM FOR: Assistant for Plans and Development, NPIC

ATTENTION :

FROM : Chief, Photographic Intelligence Division, CIA

SUBJECT : Fly Away Light Table

1. The two prototype Fly Away Light Tables are presently being evaluated by the Photographic Intelligence Division. cursory examination of this light table indicates that it will fill a long desired need within this Division.

2. As per discussions between you and personnel of the Operations Support Staff it is requested that the

be asked to produce two pairs of new rollers as per the design which was discussed. These will provide ease in threading film on the light table and should make it an even more valuable PI tool.
